Attendance Works
Advancing Student Success By Reducing Chronic Absence

An absence due to an out-of-school suspension or expulsion is also considered an excused absence, but does not count for loss of credit. Remember that this documentation must be submitted annually. Students who get sick during the school day can be excused by the school nurse and cannot return to school until the next day.If my son/daughter has senior study hall, is he/she entitled to the early dismissal privilege?Seniors can take advantage of this privilege as long as their last period is a study hall, they are in good academic standing and have parental permission on file in the office. The office staff registers the students and consequences are imposed based on the number of accumulated delays. A student is charged with an unexcused absence whenever the reason for the absence is not sanctioned as part of the Board's list of excused absences, regardless of whether the parent knows of the absence, or if documentation is not A submitted within ten days of the date of the absence. Class cuts are also considered unexcused absences

and will count towards the loss of the credit limit. So what happens if I call or send a note to inform you that my son/daughter is or was ill?For absences one or more days will be considered excused when the appropriate signed documentation has been received by the front office within ten of my son/daughter's school days. In addition, students who arrive 25 minutes or more late to class (period) without a pass receive a cut-off. Students in grades 9 and 10 may not report to school late, even if they have a first period study hall and parental permission. If the office receives only one phone call, the absence will be considered unexcused. The teacher will address the delay, attributing the detention to your child, and if the Continue, denounce your child to an assistant director for greater discipline. Resulting injuries these situations do count toward a loss of credit,even though they are considered excused absences. Students in grades 9 through 11 are not entitled to this privilege. Please note that the Superintendent is required to bring a truant student'sAAAs case to the Superior Court under the Family with Service Needs Law (FWSN) if the parent fails to attend the required meeting with school personnel or fails to cooperate with the school administration in trying to solve the student'sAAAs truancy problem.How does tardiness to class affect my son'sAAAs/daughtercAAAs attendance?Arriving to class late creates serious disruption and is therefore discouraged. Exceptions may be approved by the school administration under extraordinary circumstances.When does my son/daughter lose credit in a course?Students lose credit in a course when they exceed limits set in Board of Education policy (5113a).
